

Jagadguru Rambhadracharya Handicapped University

Karwi, Chitrakuta, Uttar Pradesh, India – 210204

A journey from disabled to differently-abled

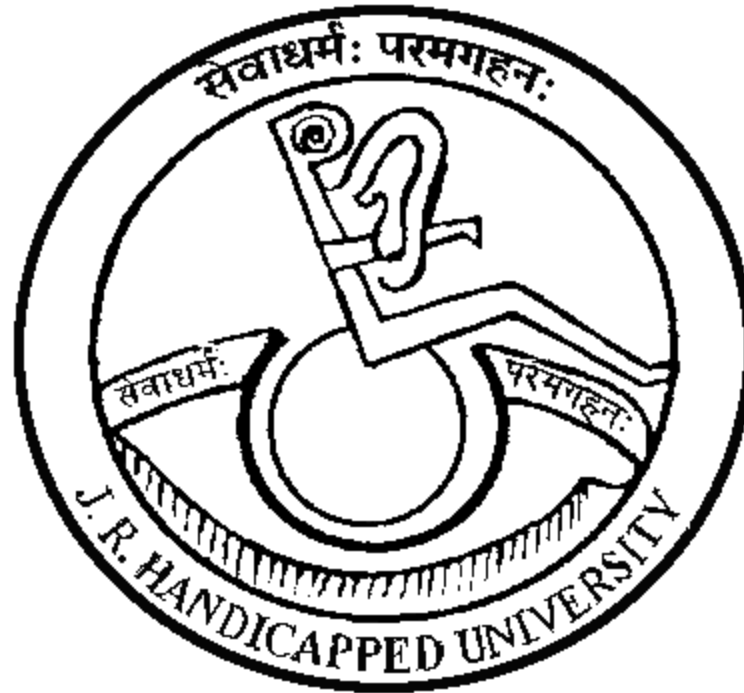

Presentation at Shri Lakshmi Narayan Temple, Singapore

June 19, 2011

A gateway to the sky in Chitrakuta

The first university of its kind

Without eyesight, He had a dream ... and made it come true

A unique university

- First university of its kind
 - In India and the world
- Established in 2001
 - By an Act of UP Assembly
- Approved by UGC
 - In the list of universities under section 2 F
- Eligible to receive central assistance
 - Section 12 B of the UGC Act, 1956
- Donations exempt from Income Tax
 - Sections 80 (G) and 35 (AC) of the Income Tax Act, 1961

Background

- Number of disabled people in India
 - 2.1% as per *Census 2001*, 8% as per *Access Ability*
 - 10% of the world's population is disabled as per *Disability World*
 - Only 5% of disabled in India covered under formal education system
- As per NCPEDP, 1.2% of disabled get higher education
- Persons with Disabilities Act 1995
 - Disabled people must have access to education at all levels
- Education a right, not a privilege
- Most educational institutes are not disabled friendly
- An urgent need to address these issues for the disabled

Background (contd.)

- NCPEDP's *Research Study on Present Education Scenario*
 - 0.51% disabled students in mainstream school education
 - Only 0.1% disabled students in mainstream university education
- Mere reservations not sufficient
- Need for creating disabled-friendly environment in educational institutions
- JRHU founded exclusively for the disabled
 - Appropriate curriculum
 - Special teaching methodologies
 - Aids, appliances and equipment
 - Composite rehabilitation for the disabled

The Beginning

- JRHU Ordinance (UP Ordinance No. 15, 2001)
 - Promulgated by the Governor of UP on August 7, 2001
- Classes begin at JRHU on Rishi Panchami, August 23, 2001
- JRHU Act, 2001 (UP Act No. 32, 2001)
 - Passed by the UP Legislature on October 5, 2001 to replace ordinance
 - Appointed Jagadguru Rambhadracharya as life-long Chancellor
- First Statutes of JRHU
 - Approved by the Government of UP on October 18, 2002
- JRHU Rules (2002), Chitrakuta, UP
 - Framed on January 15, 2002 by the Government of UP
- Membership of Association of Indian Universities (Jan 2002)

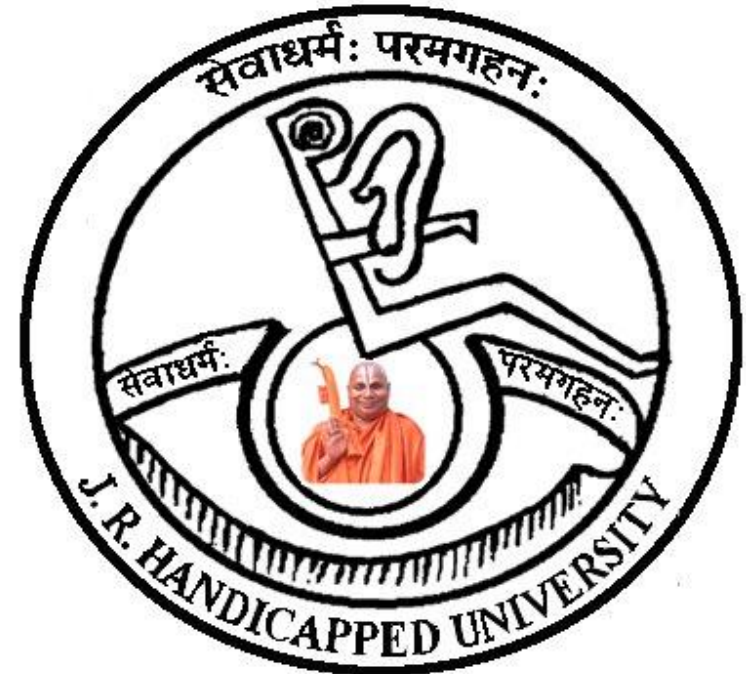

The Chancellor

- H. E. Jagadguru Rambhadracharya
 - Lost his eyesight at the age of two months
- Life-long Chancellor
 - Appointed by the UP State Government Act
- A mission to serve
 - Understands the difficulty and agony of the disabled better
- First dream
 - Establishing a university for the disabled
- Second dream
 - Nourishing the university to help the disabled carve a niche

The Emblem of JRHU

- Motto – सेवाधर्मः परमगहनः
 - “The duty of service is most difficult”
- Four types of disabled represented
 - Visually impaired (VI)
 - Hearing impaired (HI)
 - Mobility impaired (MI)
 - Mentally impaired
- Chancellor in the centre

Vision Statement

To ensure greater participation of disabled in higher and professional education by providing them with disabled-friendly campus, classrooms and courses, in order to prepare students of great character, enriched with traditional and modern knowledge.

Objectives of JRHU

- Accessible, affordable & appropriate education for disabled students
- Provision of home-based learning for persons with disabilities
- Facilitation of access for disabled students from rural and remote areas
- Imparting both traditional and modern knowledge
- Training and research facilities for personnel engaged in rehabilitation and service of persons with disabilities
- Exchange of ideas and experiences regarding new techniques with national and international agencies, organizations, or individuals interested in teaching and research of disabled students
- Spiritual, social and economic development of the disabled by providing suitable education, for their integration with the mainstream
- Exploration of suitable placement opportunities for the disabled graduates

Special features of JRHU

- Basic Sanskrit and Computer Education compulsory
 - One mother of all languages, other necessary for modern challenges
- Priority on character building and physical fitness
- Participatory and interactive learning methodologies
- Modern teaching aids suitable to four types of disabled
- Curriculum enriched by seminars, symposia and workshops
- Indoor and outdoor sports facility for disabled students
- Notes in Braille for VI students
- Hostel facility for students with special needs
- Currently VI, HI and MI students admitted

Facilities

- Tuition
 - Free for academic courses
 - Subsidized for professional courses
- Boarding: Subsidized for all
- Lodging: Free for VI, subsidized for HI and MI
- Transport: Subsidized for all
- Aids and Appliances: Free (as required)
- Health: Free access to gymnasium
- Counseling and Guidance: Free for students and parents
- Career: Assistance in finding suitable placement in public and private sector
